RE: EPA SLN Reg. Number WA-980012

Dear Dan,

Enclosed is revised labeling for Washington Special Local Need (SLN) registration number WA-980012 issued to Drexel Chemical Company for the use of Drexel Endosulfan 3EC (EPA Reg. No. 19713-399) on alfalfa grown for seed to control spotted alfalfa aphids and lygus bugs.

This SLN registration was revised to be consistent with the final product cancellation order for endosulfan and with current WSDA requirements. The SLN label will expire and prohibit distribution after May 31, 2016, and will prohibit use after July 31, 2016.

If you have any questions, please contact me at (360) 902-2078 or by e-mail at [ejohansen@agr.wa.gov](mailto:ejohansen@agr.wa.gov).

Sincerely,

PESTICIDE MANAGEMENT DIVISION

Erik W. Johansen  
Special Pesticide Registration Program Coordinator
